

GALATIANS
CHAPTER TWO

1. How much time elapsed until Paul revisited Jerusalem?
2. Who accompanied him?
3. Did Paul confer with the brethren in Jerusalem using his own wisdom and discretion?
4. What did he inform the church at Jerusalem of?
5. How was the meeting in Jerusalem conducted?
6. What would have caused Paul to have “*run in vain?*”
7. What was the outcome of the meeting?
8. How did Titus differ from Timothy?
9. What was the origin of this controversy?
10. How did “*false brethren*” gain access to the church at Antioch?
11. What made them “*false brethren?*”
12. What goal were they pursuing?
13. How tolerant was Paul toward the “*false brethren?*”

14. What did Paul gain by associating with fellow apostles during this meeting in Jerusalem?
15. What did the “pillars” of the Jerusalem congregation perceive about Paul?
16. To whom were Paul and Peter especially sent?
17. How did the “pillars” manifest their approval of Paul?
18. What did they request of him?
19. Why did Paul stand up to Peter?
20. How far did this hypocrisy extend?
21. In which setting did Paul confront Peter?
22. Which “works” are contrasted to “faith” in the matter of justification?
23. What premise would force the conclusion that Christ is “a minister of sin?”
24. What two analogies were employed to demonstrate Paul’s separation from the Old Law?
25. What became of Paul’s personal identity?
26. When does one become “crucified with Christ?”
