

GALATIANS
CHAPTER THREE

1. How were the Galatians *"foolish?"*
2. What transpired that diverted them from truth?
3. How had Christ's crucifixion been portrayed before their eyes?
4. If Paul wanted to know one thing, why did he ask five questions?
5. How did Abraham obtain his righteousness?
6. Who are Abraham's true sons?
7. How was *"the gospel preached to Abraham?"*
8. How are those accountable to the law all cursed?
9. How did Christ redeem us from that curse?
10. What comparison illustrates the validity of the covenant God made with Abraham?
11. Which of Abraham's seed were the promises spoken to? Which of his seed were the promises about?
12. Did the Law of Moses amend the promise to Abraham?

13. How much elapsed between the promise to Abraham and the establishment of the law?
14. If the law was not intended to be permanent, why did it ever exist?
15. What does the word "*added*" imply?
16. What does the word "*till*" imply?
17. How was the law appointed?
18. Was there a contradiction between the law of Moses and the promises to Abraham?
19. What capacity did the law function in "*before faith came*?"
20. How do people become "*sons of God*?"
21. How do people "*put on Christ*?"
22. Where is real unity found?
23. What makes someone "*Abraham's seed*?"
